# AUTUMN LEAVES

## You'll need:

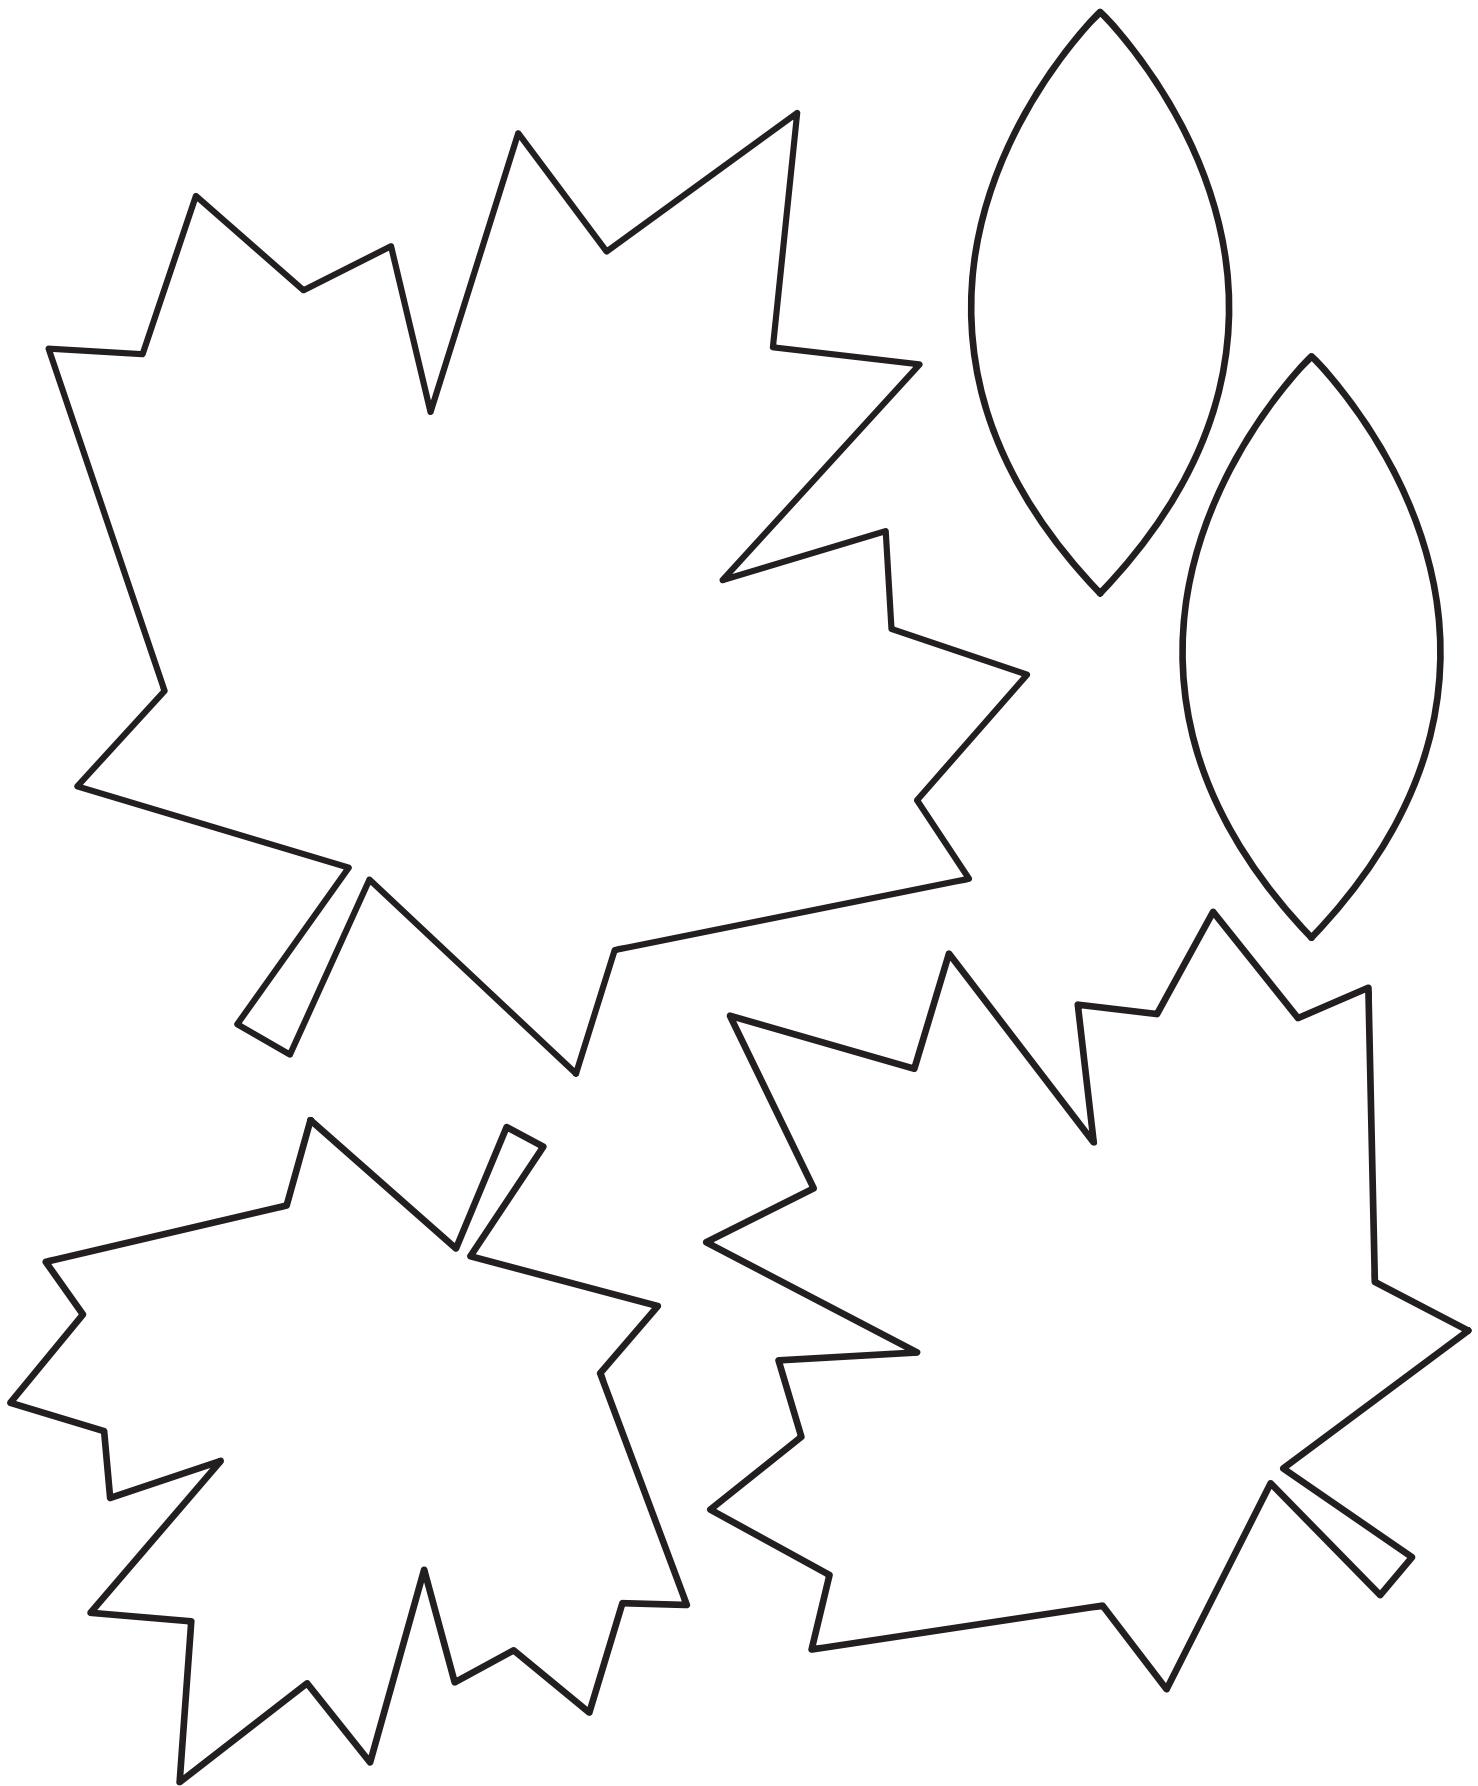

- Templates printed on letter-size paper
- Con-Tact® Brand self-adhesive paper
- Scissors

## How to:

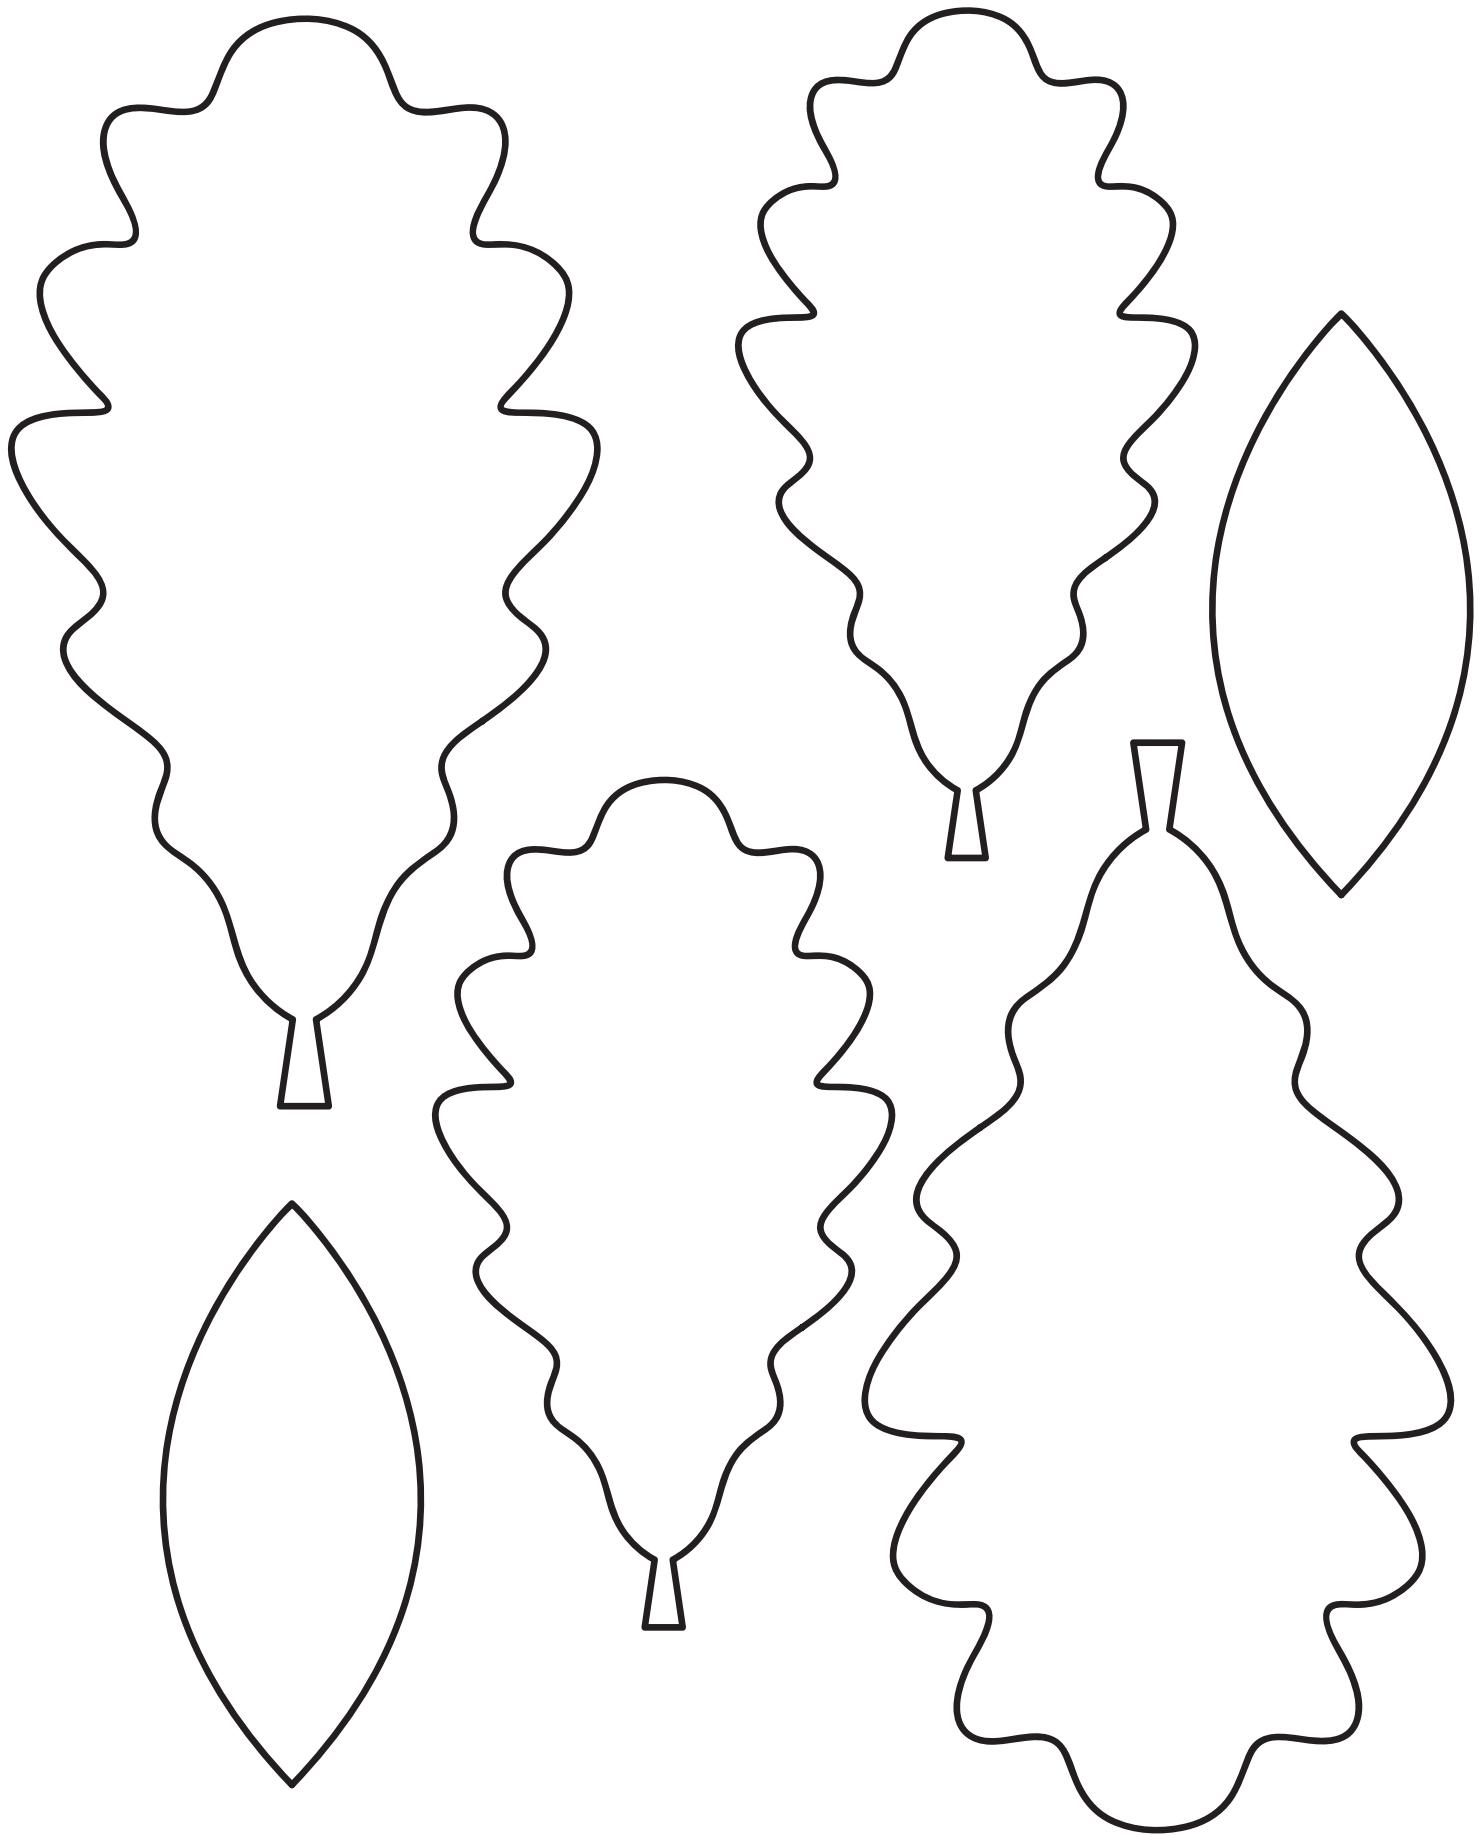

1. Print out templates on printer paper.
2. Flip template over (print-side down).
3. Peel & stick the Con-Tact® paper to the back of the template.
4. Cut out the templates printed on the back.
5. Enjoy the autumn magic!

## Tips:

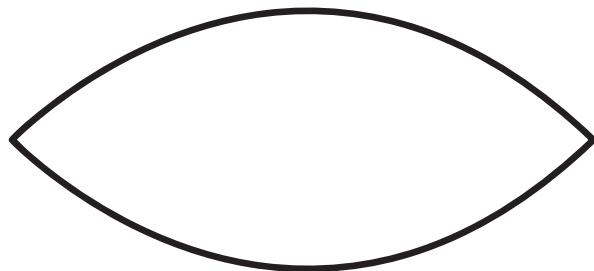

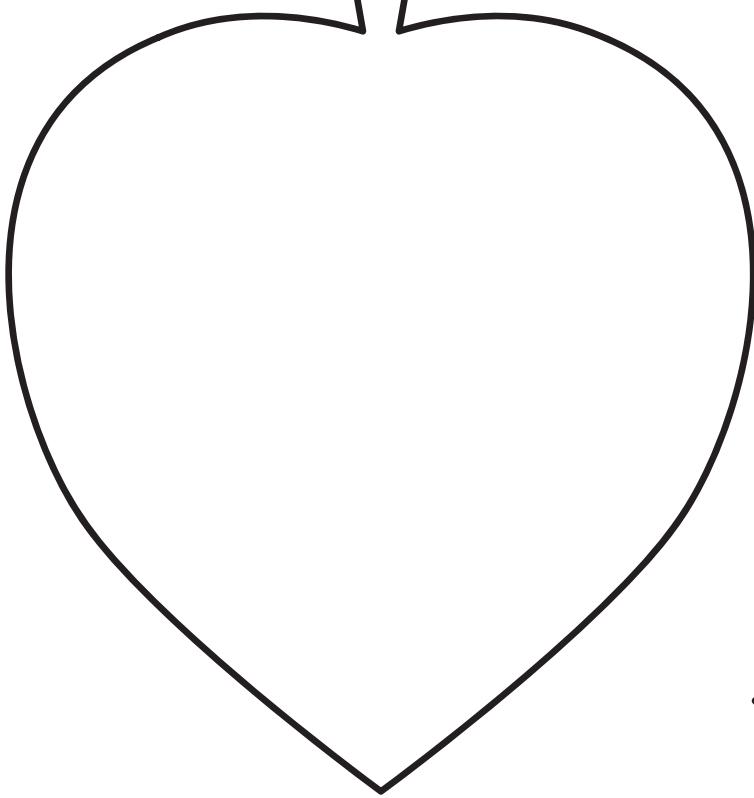

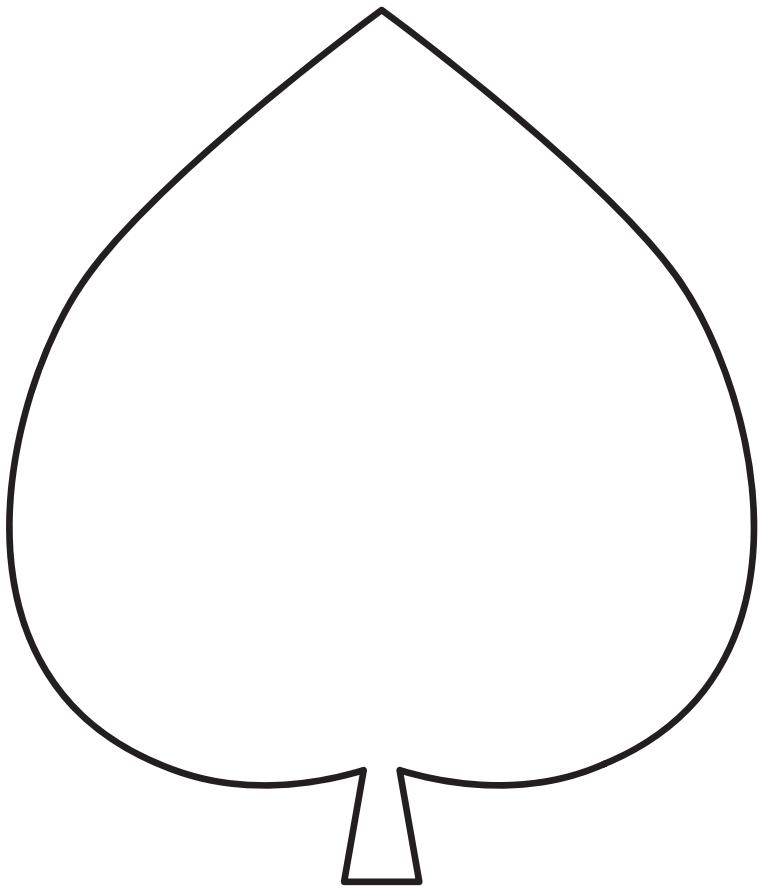

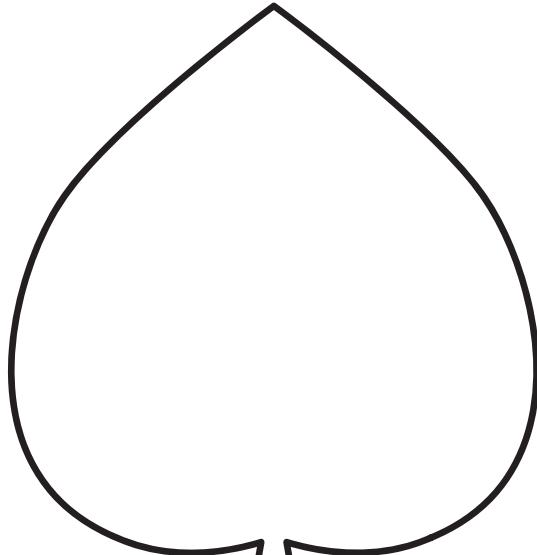

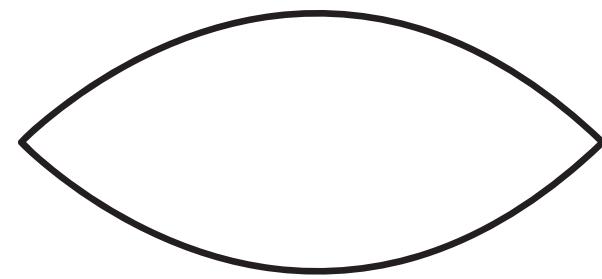

- If attaching leaves to walls or cabinets, use painter's tape to avoid surface damage.
- You can use hot glue, super glue, or simply tape to attach leaves to twine to create a festive garland.
- Mix and match colors, patterns and textures to make a one-of-a-kind masterpiece!
- Use a cork roll to make leaf coasters in just minutes from start to finish.
